

## Price list

Return pallets from companies abroad

### Business Pallet Return

Price per pallet stated in NOK excluding fuel and sulfur surcharges.

Valid from 01/12/2022 subject to change.

#### Return to Norway

Return from	Price per pallet
Sweden (SE)	3240
Denmark (DK)	3240
Finland (FI)	5211

Maximum weight per pallet is 750 kg, including the pallet and the packaging.

Additional service AdHoc PickUp is required and included at no extra cost. AdHoc PickUp means that Bring, in connection with booking, creates EDI and carries a shipping label when picking it up at the return sender.

Export and import declaration fee (incl. 3 customs lines) are included in the price.
