### Collaboration gives the best results

We will do our best to ensure that your shipments arrive on time.

Here are some tips on what you can do to help:

- Please give us a heads up if you expect large volumes, or have out of gauge cargo that requires dispensation
- Please be aware that several ferry departures may be cancelled during Christmas and New Year, this may result in extra transit time.
- Book as early as possible and remember to include information on phone number to the recipient, for us to give notifications along the way for unforeseen incidents.
- Please note that our offices are closed on Christmas Eve and New Year's Eve.
- You can always contact our duty phone if you need transport outside office hours.

### Express transport

In the event of an express assignment, Bring will collect and delivered the cargo as soon as possible.

It is important that the sender agrees with the recipient that unloading of the goods is possible. Bring needs a contact person for loading / unloading, the shipping documents must include telephone number for contact person in regards for loading/unloading.

### Spesial transport

We encourage everyone to plan for special transport to be delivered before the holiday season starts.

Transport of oversized Cargo will be performed according to information from approved exemption application from the authorities.

### Dangerous goods

Dangerous goods will be transported if pre-arranged with consignee. Dangerous goods will only be loaded if the recipient can accept such cargo, as regulations do not allow such cargo to be stored on vehicles.

Does not apply for transport between Stavanger and Mongstad.
